Brakes For Breasts in Oct. At Gabriels

Our Featured Businesses

Have you been ignoring the tell-tale sound of grinding metal that your car brake pads need new brake pads because you just can't afford it right now? Do you pretend not to hear the laughs or see the stares from you fellow drivers—the crying and begging—every time you approach a stop sign or traffic light? Now is the time to stop putting it off and head over to Gabriels Automotive & Towing in Chino where their annual "Brakes for Breasts" campaign to help end breast cancer will begin October 1st and last through the remainder of the year. Gabriels Automotive, along with 139 other auto repair shops across the country, offer FREE brake pads with any brake service (up to a $109 value). But the best part is this: for the entire month of October, Gabriels Automotive (and any other participating auto repair shops) will donate a portion of what you pay for the brake service to the Cleveland Clinic Breast Cancer Vaccine Research Fund!

So what, exactly, is the "Brakes for Breasts" Campaign anyway? Well, back in 2011, Leigh Anne Tuohy and Laura Franklin, two auto shop owners in Ohio, started the Brakes For Breasts fundraising program with 5 other auto mechanics in their area. The success of the program lead them to expand it to 27 shops across 17 states in 2012, allowing them to raise a total of $86,492 for breast cancer research! Over the next few years, the program continued to grow and the amount of money raised has been growing with it. In total, independent auto repair shops just like Gabriels have raised a grand total of over $492,000 in the last six years!

Breast cancer is a serious disease that has affected the lives of so many of us, our friends and loved ones. Choose, are you, someone who knows how to fight breast cancer? If you're helping to support Gabriels Automotive, Towing and located at 13654 Central Ave in Chino. Their business hours are 8:00 am to 6:00 pm, Monday through Friday and 8:00 am to 5:00 pm on Saturday and Sunday. You can contact them at 909.464.1200 or visit them on the web at gabrielsauto.com.

The training will provide an opportunity for staff to learn new strategies and practices that will enable them to better serve our residents. We apologize for any inconvenience this may cause. As usual, The Riverside County Library System, www.rivlib.net, is available for access to online resources, item renewals, and patron account information.

EASTVALE BANNER PROGRAM

Staff Reports

If you have driven along Ar- chibald Avenue, you've most likely seen the Military Banners that have been installed in Eastvale. The City of Eastvale's Military Banner Program was created to recognize and honor Eastvale residents and im- mediate family members serving on active duty in the United States Armed Forces. These banners are installed twice per year— in May and No- vember. Applications for November installations are due at the end of this month. If you would like to participate in this program please fill out our application and include a copy of your driver's license, a current util- ity bill showing an Eastvale address, and a portrait of the service person in uniform (optional). For more information please visit: http://bit.ly/2x93mlx. Available spots are limited!

Staff Reports

For the second consecu- tive year, Norco College was named a "Great College to Work For" by The Chronicle of Higher Education. A total 236 institutions participated, including 152 four-year and 84 two-year institutions. Only 85 were recognized, including 60 four-year and 25 two-year institutions.

"We are honored to be recognized," said Interim President Monica Green. "I am proud of the diverse talents and contributions of our employees that make Norco College a great place to work.

Norco College has approxi- mately 500 employees and serves over 15,000 stu- dents.

The survey results are based on a two-part as- sessment process: an institu- tional audit that captured demographics and work- place policies, and a survey administered to faculty, ad- ministrators and profession- al support staff. The primary factor in deciding whether an institution received rec- ognization was the employee feedback.

To administer the survey and analyze the results, The Chronicle of Higher Educa- tion partnered with the research firm SurveyGizmo, a strategic hu- man capital-consulting firm that has conducted numer- ous "Best Places to Work" programs for hun- dreds of thousands of em- ployees nationwide.

**60 Swarm Project**

As part of the 60 Swarm Pavement Rehabilitation project, Caltrans is alerting motorists of full directional closures on the SR-60 Freeway beginning on July 26, 2019, for a period of fourteen weekends. The weekend closures will occur Friday nights at 10:00 p.m. through Monday mornings at 5:00 a.m. The closure details are as follows:

- Full closure of eastbound SR-60, including all eastbound on and off-ramps between I-15 and the 60/91/215 junction in Riverside from July 26, 2019, through September 9, 2019. There will be no eastbound access during this closure. Motorists may use westbound SR-60 to access local on and off-ramps.

- Full closure of westbound SR-60 including all westbound on and off-ramps, between the 60/91/215 junction in Riverside to I-15 from September 20, 2019, through October 28, 2019. There will be no access during this closure. Motorists may use eastbound SR 50 to access local on and off-ramps.

The project will include rehabilitation pavement on freeway traffic lanes and shoulders; rehabilitation pavement on the freeway’s on and off ramps; and upgraded pedestrian sidewalk ADA ramps at the on and off-ramp intersections. The repairs will improve pedestrian safety and ride quality for motorists. They also will extend the roadway’s service life with less required maintenance, minimizing maintenance worker exposure.

For more information on this project or to sign up for updates, please visit 60Swarm.com/updates. You can also follow @caltrans8 on Facebook and Twitter. For questions, please call 909.383.4631.

SCAG VP Named

SCAG from page 1 throughout his tenure on our City Council to SCAG on various committees and most recently, representing our region on the board. He is helping to make critical transportation decisions that affect all of Southern California as we move into the 21st Century.”

Founded in 1965, SCAG is a Joint Powers Authority under California state law, established as an association of local governments and agencies that voluntarily convene as a forum to address regional issues. Under federal law, SCAG is designated as a Metropolitan Planning Organization (MPO) and under state law as a Regional Transportation Planning Agency and a Council of Governments. The SCAG region encompasses six counties (Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura) and 191 cities in California covering more than 38,000 square miles. The agency develops long-range regional transportation improvement programs, regional housing needs allocations and a portion of the South Coast Air Quality management plans. More information about SCAG can be found at www.scag.ca.gov.
