Staff Reports

- **Norco Man Arrested For Attack**
  
  **Staff Reports**

  - Norco – A Norco man was arrested for his former landlord and led deputies on a pursuit through the city.
  - Paul Stephen Otto, 27, was arrested for assaulting his 83-year-old former landlord, and for leading deputies on a pursuit. He has a history of violence, according to the Norco Police Department, Riverside County Sheriff (RSD). The incident began in the afternoon Dec. 6, when deputies were called to an assault call in a home in the 1700 block of Hillside Avenue in Norco. The victim claimed the former tenant, Otto, had entered the property to steal a car, an RSO statement said. Otto allegedly choked and struck the 83-year-old landlord and led deputies on a pursuit. He has been arrested for assaulting his 83-year-old former landlord.

  - Otto then fled the scene in his own vehicle but was spotted in front of the Norco Sheriff’s station on Hamner Avenue. When attempting to detain him, Otto then fled but soon crashed his car several blocks away near Hamner and First Street. He was arrested and treated at a local hospital before being booked on suspicion of attempted murder, disorderly conduct, assault, cruelty to an animal, and burglary. His bail was set at $1 million.

- **JCSD Refinances Tax Bonds Lowering Property Taxes in Eastvale**

  **Staff Reports**

  - Eastvale – Jurupa Community Services District (JCSD) has completed the refinancing of over $20 million of five Community Facilities Districts (CFDs) also known as Mel-Roo.

  - Many new communities, such as Eastvale, require the construction of infrastructure including parks and public facilities, streets, and connections to water and sewer systems. CFDs, also known as Mel-Roo, levy special property taxes paid by homeowners for the construction of such infrastructure. The refinancing of the existing CFD bonds does not extend the original repayment terms but instead lowers existing tax obligations.

  - The refinancing of existing debt whenever there is an opportunity to save money is one example of JCSD’s ongoing commitment to ratepayers.”

  - According to the Norco Police Department, Otto was treated at the Jurupa Valley Sheriff’s Station in Eastvale, 4910 Hamner Avenue.

- **Threat Made To Local High School**

  **Staff Reports**

  - Eastvale – Earlier this month, deputies received information about a threat made to the local high school that appeared to be serious and credible.

  - Deputies investigated, which led to identifying and locating a male juvenile. It was determined that there was no credible threat, but the investigation is ongoing and there were additional deputies in the area of ERHS as a precaution.

  - A reason for the threat wasn’t indicated and if there were additional conspirers was not known until the investigation is complete or if a danger occurs. No other arrests were made.

  - The RSO urges parents and guardians to educate their youth about making threats of violence. If you have any additional information, please contact the Jurupa Valley Sheriff’s Station at 951-955-2600.

I-15 Limonite Avenue Interchange Project Ribbon Cutting Ceremony!

On November 14, 2019 the City of Eastvale and the City of Jurupa Valley joined key stakeholders associated with the 1-15 Limonite Avenue Interchange to celebrate the much anticipated Ribbon Cutting Ceremony for this project!

Limonite Avenue is the notorious street that connects The City of Eastvale and The City of Jurupa Valley together. This street was previously known for its horrific traffic congestion that made it difficult to get across, or even onto the freeway in a decent amount of time.

Through teamwork and a common goal, the bridge has successfully been widened from four total lanes to eight. The new design also features a pedestrian and bicyclist lane that will allow residents to successfully cross the interchange safely.

We were extremely honored to celebrate this accomplishment with many community leaders, colleagues, and residents!

Pastor’s Corner: Believe In Something More

By Pastor Dennis Morales

“Thanks be to God for His indestructible gift!”

- 2 Corinthians 9:15

We will be celebrating Christmas a few days and one of the best things about Christ-mas is watching our kids tear through their gifts. The anticipation that leads up to Christmas has its intensity, but that is part of the fun. The Apostle Paul, who is the author of 2 Corin-thians, is addressing the sub-ject of giving. He finishes the Chapter 9 with a great outburst of praise. Paul praises God for His indescribable gift. Simply meaning a gift too awesome for words. It speaks of a divine gift. It is believed that during the time of the census, right after Mary had conceived, the antici-pation of the Messiah coming to earth was at an all time high. After all, word of the Messiah coming to save His people had been shared about for genera-tions. When Jesus was born, he was wrapped in swaddling clothes and laid in a manger. Hope was born on Christmas day. A baby that would bring salvation to the world because the cradle pointed to the Cross. This is where Jesus would die for all mankind. He was not a victim of circumstances. In the garden when He was arrested, Jesus told Peter that He could call upon legions of angels to help. The Cross was His mis-sion and He gave Himself willingly. God’s gift of salvation is an exclama-tion point. John’s Gospel says “For God so loved the world that He gave” His only Son, so that whoever believes in Him will have eternal life” (John 3:16). No earthly gift could ever equal the gift of Jesus Christ coming to earth to die for our sins and offering us the gift of salvation. Heaven came to earth so that you would have the hope of Heaven (Ephesians 2:8).
