## Eastvale Elevates at the State of the City

#### STAFF REPORTS

**Eastvale** -The 20th Annual Eastvale State of the City was held on Oct. 7 at VantagePoint Church, located at 8500 Archibald Avenue in Eastvale. This year's theme was "Elevate Eastvale: Soaring to New Heights".

The event started with performances from Brittany McMains Vocal studio, and Eleanor Roosevelt's High School Jazz and Vo-

cal Ensemble. Then hosts Hari Dhiman and Leonard Mercado of the Eastvale Chamber of Commerce introduced themselves, followed by Pastor Mark Lee of VantagePoint Church leading the invocation.

The Presentation of Colors was led by Girl Scout Troop 1160 and Supervisor Karen Spiegel led the Pledge of Alle-

## Police & Fire Recap

#### STAFF REPORTS

**Eastvale/Norco** - In the last month, there was one fire that took place in the City of Eastvale. Riverside County Sheriff's Department also issued a statement about National Teen Driver Safety Week. Read more below.

INCIDENT: Residential Fire  
INCIDENT DATE: October 10, 2021

DETAILS: On the morning of October 10, CAL FIRE/Riverside County Fire Department responded to a residential structure fire off Kaisha Street in the City of Eastvale. They were able to contain the fire to the garage with no extension into the residence. The City mentioned that Eastvale homes are built with a fire rated door and walls between the garage and home, which could have contributed to the minimal damage to the home.

Local reports state a neighbor alerted the homeowners of

the fire that early morning and they were able to exit the home safely.

INCIDENT: National Teen Driver Safety Week

INCIDENT DATE: October 17-23, 2021

INCIDENT LOCATION: Jurupa Valley, Eastvale, and Norco

DETAILS: As part of National Teen Driver Safety Week Oct. 17-23, the Riverside County Sheriff's Department wants to remind parents and guardians the importance of talking to their teen(s) about driving responsibly and safely.

Driving remains the most dangerous activity for teens. Per mile driven, teen drivers are nearly four times as likely to be involved in a crash as drivers in all other age groups. According to the Insurance Institute for Highway Safety (IIHS), speeding was a factor in 43% of all teen driver and passenger fa-

# CITY OF EASTVALE HIGHLIGHTS

## Eastvale Library Giving Campaign

City of Eastvale Launches Eastvale Library Giving Campaign with Randall and Janell Lewis \$2.5 Million Dollar Donation

The City of Eastvale has officially launched the Eastvale Library Giving Campaign! It has been a goal and priority of the City to build our own library for our 70,000 residents. At the January 2021 Strategic Planning meeting, the City Council noted an Eastvale Library as a top priority in our commUNITY, which reaffirmed the 2018 Strategic Plan priority for a public library in our City. Each year, the City Council has set aside reserves for the design and construction of a library. Earlier this fall we also released an RFQ for an owner representative and bridging architect to help design the library with commUNITY input.

To further move this effort along, the City is now launching a giving campaign, which was started by a commitment pledge from Randall and Janell Lewis to donate \$2,500,000 to the City of Eastvale for the support of a public library to be built by the City. The entire City Council ceremoniously accepted this donation at the 2021 State of the City event on October 7th as a special announcement and officially at the October 13th City Council meeting. The Lewis Family also donated the first book to our City Library, which was the Giving Tree by Shel Silverstein.

Additional details on how to donate to this campaign will be released in the near future. In the meantime, those interested in joining our giving campaign can email [info@eastvaleca.gov](mailto:info@eastvaleca.gov) for more information.

Thank you again to Randall and Janell Lewis for their enormous generosity!

# 3D MAMMOGRAPHY

## AT CORONA REGIONAL'S BREAST IMAGING CENTER

High-tech early detection of breast cancer is available right here in Corona.

Breast tomosynthesis, or 3D mammography, is FDA-approved and takes about as long as a traditional mammogram. Instead of viewing film images, physicians use digital images to examine breast tissue one layer at a time. We also use a new FDA-approved software, "MammoScreen®," in conjunction with radiologist interpretation to better detect breast abnormalities.

Choosing 3D mammography may result in:

- Sharper, clearer images
- Reduced need for call-back exams
- Possible increase in detection

The Breast Imaging Center at Corona Regional is conveniently located in the Outpatient Pavilion.

# Our Life: Don't Cry When I'm Gone

**MICHAEL ARMIJO (2001)**

I've left this earth and you're still here crying. Well, don't cry now that I'm gone. You see, I'm free. Free of the responsibilities that came with life. I can't hear anymore; I can't see what you see. I'm a pure and flowing spirit that will roam and feel the energy of life. When I shed my body I shed the tears, the pain and the torment that came with it. I waited all my life to feel what I'm feeling now. I waited what felt like an eternity. I lived a good life on earth, so now I will lead a good life in my next step. Just as I was taken from the womb of my mother and lived that life completely, I am now taken from this life to live yet another.

I am happy, as each life gets easier, stronger, better. I no longer know pain, so when you are in it, I cannot see you. I only know love, so when you follow it, I will watch you shine. Just as I do not remember my life in my mother's womb, I do not remember the life I had on earth. All I know is that I am truly happy now. My world now is the world that I've built in my heart while on Earth. My world is the one I had always hoped for. It is beautiful. It is wonderful. It is mine. But I must tell you, enjoy your life as I am now enjoying mine. It'll go quicker than you can ever imagine, it travels faster than you'll ever believe. One day you will look up and your life will be over. Enjoy today completely and contently as tomorrow may never come. Tomorrow never came for me.

So please don't cry when I'm gone, be happy for me as I was always happy for you. And please remember to live life with compassion and character, hope and pride, and love and peace, because the love you've embedded in your heart today is the love you'll hold onto forever.

giance. The National Anthem was sang beautifully by Eleanor Roosevelt High School senior, Layla Lopez. Following these patriotic tributes, was a recap video of the 9/11 Never Forget monument that was unveiled at the 20th Anniversary of 9/11. In addition, pictures were shown of the community honoring fallen hero, Lance Corporal, Kareem Nikoui.

Also honored were Ike Bootsma, Mayor and City Councilmember, and Richard "Ric" Welch, City Councilmember who past away this year. In addition, a recap video showed how much the community enjoyed the monthly Food Truck Festivals that started this year.

The hosts thanked the many that came to the event and those that sponsored it, including the Presenting Partnership, Gold Partnership, Silver Partnership, Bronze Partnership, and Community Level. The hosts also thanked VantagePoint Church for hosting the event.

Mayor Jocelyn Yow and the City Council announced the Community Honoree Award, along with awards based on the City's values of grit, kindness, and being solution driven. Congratulations to Thomas Rife given an Award for Grit, Amber Norwood given an Award for Kindness, Navjot Kaur given an Award for being Solutions Driven, and James Chiang given the CommUNITY Honoree Award.

Mayor Yow celebrated accomplishments and shared goals for the future during the Mayor's Address. She first thanked the

Eastvale Chamber of Commerce, City Council, Planning Commission, Public Safety Commission, City Manager, and City of Eastvale team for their hard work in the City. The Mayor also thanked the residents and businesses, saying they are the "heartbeat of the City".

"We champion experiences that engage, excite, and elevate the community, with an emphasis on the word 'unity' and 'community'," said Mayor Yow. She said we are united with kindness, grit, and being solutions driven.

Mayor Yow shared that the City is right in the middle of the Eastvale 2040 plan, which is the general plan amendment. This plan will help shape the future of the City for decades to come. Mayor Yow mentioned that in the past year, the City has made significant strides in economic development, including establishments at Hammer Place, the Merge and The Station to name a few.

Mayor Yow said that with a healthy budget, the City was able to allocate \$14.5 million for the Eastvale City Hall and Library. The City has also committed to allocating \$8 million for the City's own Police substation. In addition, at last month's CAL City's Conference, the City built a "strong collation with other cities to oppose a resolution meant to reallocate sales tax revenue from online retailers," according to Mayor Yow. This means "millions of dollars will come to our City."

Public Safety continues to be a top priority for the City and Eastvale was recently named the 29th Safest City in the state. In April 2021, the Eastvale City

Council budgeted for two deputies to combat the illegal grow houses in the City and to provide additional services to residents.

Mayor Yow said the City received several awards from multiple regional and statewide organizations in this past year. Despite being in a pandemic, the City was also identified as the 2nd least financially at risk city in the entire state. She also talked about how the City is diverse, and how the residents have done so much in the community in the last year.

She challenged the audience to continue to give back to the community and she told the

youth they are the future of the City. She ended with having the audience stand and said: "you are what makes Eastvale Elevate so let's continue to work together to elevate Eastvale every day."

A video was played that talked about the City, sharing new businesses and a look at the first hotel coming to Eastvale. The City Council shared in the video the great things happening in Eastvale, including new events, our great Police Department, new establishments, a future downtown, and more. Here is the link to watch the full video: <https://youtu.be/2dW8zrTV1jw>

Towards the end of the event, the host Hari Dhiman thanked the Eastvale Chamber of Commerce for hosting the event and presented a check to VantagePoint Church for \$1,500 towards their Living Proof Project. Afterwards, City Manager Bryan Jones, announced the start of a giving campaign by Randall and Janell Lewis from Lewis Group of Companies, with their 2.5 million dollar donation to help fund our future City Library.

After the event ended, the community gathered for the Taste of Eastvale event with several local businesses sharing samples of their food.

# A Man Named Ron

Mark Hopper

I enjoy seeing people walking through our neighborhood. A few people walk early in the morning. More people walk later in the day and early evening. There are people of all ages enjoying the sidewalks and trails. Some are walking alone while others are walking with kids or friends. Many are walking their dogs.

Many years ago one man caught my attention. His name was Ron and he faithfully walked every morning. There was one thing about him that was different. He always carried a plastic grocery bag and

picked up trash as he walked through our neighborhood.

It is surprising to see how much trash accumulates in the bushes and street gutters in a residential neighborhood. Candy wrappers, cigarette butts, coffee cups, beer cans and fast-food packages collect near parked cars and on sidewalks. Sometimes you see an article of clothing like a sock or sweater too.

Ron took the time to pick up trash to help keep our neighborhood clean. He did not receive any special recognition and most people did not even notice what he did. But his faithful efforts did make our community

cleaner and better.

He also set an example for others to follow. I think I became more aware of the trash in our neighborhood because of Ron's example. I must admit that I don't carry a trash bag, but I am more inclined to stop and pick up a wrapper or empty soft drink cup on my morning walk.

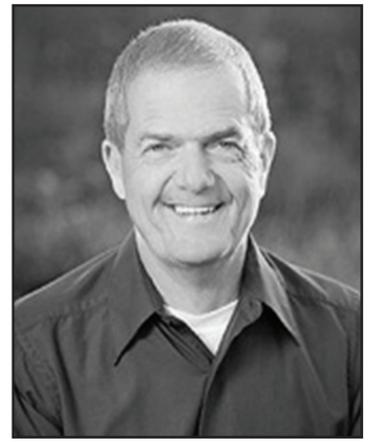

What about you? What do you do when you see small items of trash in your neighborhood? Do you stop and pick it up or do you walk by and leave it for others to deal with?

What would happen if everyone picked up one piece of trash every day? It doesn't

seem all that difficult but it could make a big dent in the trash problem in our community. In addition, if each of us put our empty coffee cups and sandwich wrappers in the trash container it could increase the beauty and cleanliness of our community.

Let me encourage you to join the effort to make our community a better place. Pick up one piece of trash on a sidewalk or in a parking lot every day. You will be glad you did and Ron will too!

Read 365 more stories and articles (one for every day of the year) in the book *Let me Encourage You* by Mark Hopper.

You can purchase two copies for only \$30 plus postage (\$5). Buy one for yourself and one to give a friend. Order your copies at [mark@efreedb.org](mailto:mark@efreedb.org).

# Is He Listening?

Pastor Dennis Morales

"Lord, how long do I have to call out for help?" Habakkuk 1:2

Life, you know, has a way of throwing curveballs at us. We find ourselves in a difficult time not only as a nation, but quite possibly even difficulty personally. 2020 was hard for many of us and it seems that 2021 appears to have its share of uncertainty and hardship. I think many people today have been asking God "How long?" or "Where are you?" It seems like evil is getting the upper hand and God is si-

lent. Habakkuk was troubled by the moral and spiritual decline of the world around him, much like we are today. Habakkuk asked the question "why?" Then God says, "you wouldn't believe me if I told you" (Habakkuk 1:5). God eventually tells Habakkuk that a wicked nation would bring punishment to Judah because of Judah's unfaithfulness. In the midst of mystery, Habakkuk turns to faith. He goes on to say, "the righteous shall live by faith" (2:4). He knew the key to living in the now was by faith because he knew that God's ways could

be mysterious. We don't always understand why. That's when God calls us to look outside of ourselves and look to Him. Corrie Ten Boom once said, "never be afraid to trust an unknown future to a known God." Scripture says that God promises hope in Him (Jer. 29:11). God eventually reveals to Habakkuk that evil will be squashed, and He would show mercy and revive His work among His people (3:2). God is still working, and He is still in control. We may not understand what God is doing at times, but we can be sure that He is

working His plan. Habakkuk says, there may not be food, there may not be cattle, but I will still be glad (3:18). He looked back at God's track record of faithfulness, and He rejoiced (3:5-15). God won't always call on us to understand Him, but He has called us to trust Him. He is listening. Calvary Chapel Eastvale meets at Eastvale Elementary located at 13031 Orange St, Eastvale. Sundays 8:30/10:30am. Livestream, YouTube Live, and Facebook Live is also available. [www.calvaryeastvale.org](http://www.calvaryeastvale.org).

# More Than Just A Mom

Melody Kraemer

I am just a mom. I am just a mom raising my two autistic boys! STOP right there. No one is just a mom! I have heard this over and over and over out of my mouth and many others.

I have heard this question many times, "What do you?" My reply would be, "I'm just a mom." Then they would follow that up with, "Oh, just a mom, don't you have a real job?"

What is your contribution to the world?"

My father once said that being a mother is one of the most demanding and hardest jobs. As much as I wanted to believe him, the world led me to think differently.

Until one day, I read something and it put it all into perspective.

"Your greatest contribution to the universe may not be something you do, but someone you raise."

So to all you parents out there, you are not just a mom or a dad. You are raising, maybe, the next president. God chose us to be the parents of the child(ren) we brought into this world. Jeremiah 29:11 NIV

1 For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.

The future is the miracle you are raising, which will be

your greatest accomplishment and contribution to this world. Amen!

# Attitude is Everything

Nancy Stoops

Can you believe fall is here and you see a half filled glass as half empty or as half full? Do you tend to see what's wrong with your life or do you focus on what is right with your life? Would you consider yourself a negative person or a positive person? Do you wake up every

day being happy to be alive and hopeful about a new day or do you dread getting up?

The way that you have answered the above questions is probably also the way that you live your life and the way you view your life. I believe having a positive attitude is foundational in being a successful human being. Being positive, is essential to everything good that comes with this life. I think it all starts by being positive about who you are and about behaving in a manner that makes you proud of whom you are. Generally, if you like who you are and are a good person, people will like you as well. Also, if you like who you are, you will want only the best for yourself. This will cause you to go to college; get a good job, find a good mate and believe that you can make your dreams come true.

On the other hand, being negative only prevents you

from following your dreams. Being negative also causes a lot of self-doubt and really gets in the way of accomplishments. Learn to look at the good in your life and at what you have done right so far. Learn from your mistakes but don't focus on them, otherwise your life will feel like one big mistake. Look at all that you already have going right for you and learn to build on the positive and if you do, more positive will come to you!!!!

peak. If the average bird lays one egg about every 26 hours, that equals a lot of chickens at the Voortman ranch!

Did you know that you can tell how fresh an egg is by how high the yolk stands up in the frying pan after you crack it? Voortman's will have

your over-easies standing tall. Their fresh eggs are the highest in quality, with dark, nutrient-dense yolks. You will immediately notice a difference in your cooking and baking.

Have you ever wondered how long the eggs in the grocery stores have actually been sitting around? Despite the use-by date, there is really

no way to know how long ago they were produced. With Voortman's, the eggs are selected daily, on site, and readied for you in their store.

Third-generation egg rancher, Eddie Voortman, says, "We are a local, family-owned business that provides fresh, quality products to the public." Customers of Voortman's

rave about their all natural, cage free eggs, touting the freshness, and great pricing. One customer said, "They make the fluffiest scrambled eggs!"

The eggs come in all sizes and colors, depending on your needs. Whatever you choose, you will not be disappointed.

Voortman's is centrally lo-

cated just minutes from Chino at 13960 Grove Avenue in Ontario (just north of Edison). You can reach Voortman's at (909) 465-1319; and Like them on Facebook at <https://www.facebook.com/pages/Voortmans-Egg-Ranch>.

Stop by any time Monday through Saturday, 8 a.m. to 5 p.m.

talities from 2015 to 2019, compared to approximately 30% of all traffic deaths among adults 20 and older.

Riverside County Sheriff's Department offers the following tips to parents and guardians for starting conversations about safe driving with teens:

**Provisional Driver's License:** Learn about California's provisional licensing law, which places restrictions on passengers and driving at night during the first year they have a license.

**Lead by example:** Have driving sessions with your teen. Tell, but also show your teen how to drive safely.

**Set ground rules:** Be firm

on rules such as no phone use, being distracted by friends, always following the speed limit, and always buckling up.

**Sober driving:** Emphasize the importance of never driving under the influence or riding with someone who has been drinking.
